Jeff Kinney's Diary of a Wimpy Kid: Dog days on DVD

Posted on December 16, 2012 by 3citygirlsny

On Saturday December 15th, my 3 little girls and I loaded ourselves into our weekend soccer Mom car and headed down to the beautiful city. We began our day at Apple Seeds to meet Jeff Kinney, the creator of diary of a wimpy kid. It was my 1st time at Apple Seeds and the kids were in playground heaven. This place totally rocks! Thank you to the most amazing Moms Denise Albert and Melissa Gerstein for making my girls day so special.

The girls snacked on bags of popcorn while sipping on Caprisun SuperV juice pouches. What a great way to sneak in vegetables!

My oldest filled in for this picture, since my 7 year old froze! Her big sister had no problem filling in her place and taking a photo with her favorite actor Robert Capron. This Kid is seriously the sweetest person I've met so far.

My 7 year old made her own diary

And the baby made one too. I think she had a lot of things to get off her chest..lol

Jeff Kinney even taught the children his tricks. He's really amazing!

Thank you to #themoms, #appleseeds, #caprisunsuperv, #diaryofawimpykid, #RobertCapron, and #JeffKinney
