FROM CARNIVAL TO CIRCUS

My Gym is the perfect venue for a colorful, delightful spree of carnivalesque with games, rides, puppets, songs, and more to entertain your sprites. Or, go for the real deal outdoors at **Victorian Gardens** in Central Park (open May-September) with a party of unlimited rides and games. At **Karma Kids Yoga**, kids can practice their own acrobatic skills with a Circus Yoga Party, including Flying Partner Yoga, juggling, and walking a tight rope! Gather the gang at **apple seeds**, where bright parachutes, bubbles, and instruments will have every guest giggling with glee. And at **Columbus Gym**, kids can put on their own circus act with a game-filled hour and a half of beams, hoops, scooters, and music. Or, see an amazing show live at the **Big Apple Circus!** Birthday party tickets are available for groups of ten or more, and include special meals with clown noses or goody bags.
